S I R :

APPLICANT'S INTERVIEW SUMMARY

The Examiner telephone called on June 2, 2004 with the observation that two statements on page 5 of the last response (claim 13) say the same thing, that there is a cover attached to the rear end of the transmission case (see page 5 lines 14-15 and lines 22-23). The Examiner wants to delete the paragraph at lines 14-15. Attorney agreed with the Examiner who will make the correction by Examiner's Amendment, and allow the application.

Respectfully submitted,  
Keisuke Shibuya
